

FORCE USA C10 COMPARISON

F-C10 (ORIGINAL)

- Pulleys and smith bar are joined as one, reducing mobility and functionality
- No weight stack upgrade available
- No fractional plates

F-C10-V2 (UPGRADED)

NEW

- **New Pulley System:** Similar to C20 with Aluminium Pulleys
- **Weight Upgrades:** Fractional plates & optional stack upgrade
- **Premium Finish:** Black smith bar and refined shroud detail

FORCE USA C10 COMPARISON

F-C10 (ORIGINAL)

- Standard J-Hooks and Spotter arms
- Standard Nylon Pulleys
- Minimal storage

F-C10-V2 (UPGRADED)

NEW

- **Upgraded Attachments:** including aluminium pulleys
- **Storage hooks:** on the inside of the frame
- **More depth:** for a larger range of exercises
- **Independent movement:** front pulleys & Smith bar run independently
