

DISCOVER SE4 CONSOLE

MORE OF WHAT EXERCISERS ARE LOOKING FOR

A large, vivid screen captures the attention of exercisers and provides them with immersive workout experiences. It also gives fitness facilities the power to create custom-branded content.

The 24" screen (also available in 16") is responsive and stylish and allows users to choose the cardio experience that's right for them.

MORE STYLE

An eye-catching, modern design with an edge-to-edge touch screen that provides visually rich cinematic content through a console that is available as large as 24".

MORE EXPERIENCE

Cutting-edge AIT technology for a responsive user interface. SE4 offers seamless wearable connectivity, personalized app integrations, ample entertainment options, and access to more than 500 free Life Fitness™ On Demand experiences.

MORE YOU

The freedom to create custom branded content powered by Life Fitness On Demand+ on 24" and 16" screens and a full range of bases. Discover SE4 empowers you to upgrade your cardio in order to create the best experience for your exercisers.

ON DEMAND+

ELEVATING THE CARDIO EXPERIENCE WITH FREE CONTENT AND CUSTOMIZATION

Life Fitness™ On Demand+ is designed to help you win, by providing engaging cardio content that keeps exercisers coming back. It provides customers access to over 500 on-demand fitness experiences, along with the tools to create customized content.

Your On-Demand Workouts Are Waiting

More than 400 instructor-led workouts are available on treadmills, ellipticals, bikes, PowerMills and Arc Trainers. Classes vary in difficulty levels and are led by the best instructors around the globe. Facilities can add custom logos to the videos to keep their brand in the spotlight during a workout.

Run the World With Interactive Terrains

More than 100 runs and rides through stunning scenery around the world. Incline and resistance adjust to the terrain for an exciting immersive experience.

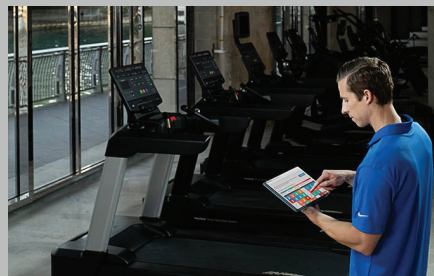

Freedom to Create Your Own Video Content

Your brand and your staff are the stars of the show. This feature gives you the power to display your own videos on your facility cardio equipment. Create workout videos, exercise and healthy living tips, highlight amenities within your facility, and more.
